## OUR HISTORIC IMPACT

Est. 1990

Purchase of Decatur Recycle Paper Co. We're celebrating 30 years of providing exceptional recycling solutions to customers around the region. Over the years, we've helped countless customers reduce their waste expenses, increase efficiency, and generate additional income.

Decatur location consolidated multiple operations into Hubbard Avenue logistics site

## ENVIRONMENTAL IMPACT

Recycled over **425 million pounds** of paper, cardboard, plastic, metal, and food scraps in 2019

Shipping equivalent to almost **900 semi-trucks** per month of recyclables to be converted into new products

Stacked up, these recyclables would span **68 football fields** and be **10 feet tall**, covering the goal post

## Saving **2,898,879 trees**

Together, we've become a recycling industry leader in our region. Let's continue problem-solving, serving, and making history.
